**PROGRAMME :
DIPLOMA IN CIVIL ENGINEERING**

**BHARATI VIDYAPEETH'S
COLLEGE OF ENGINEERING,
KOLHAPUR (DIPLOMA)**

VISION AND MISSION -

VISION:

To be a premier institute that provides high-quality education and fosters research, innovation, and excellence in Civil Engineering

MISSION:

To produce competent civil engineers with strong ethical values, capable of addressing global challenges through innovative solutions and contributing to sustainable development.

From the Principal's Desk

It gives me immense pleasure to present the 2024-2025 edition of BUILDSTRUCT. Our institute has developed excellent infrastructural facilities with well-equipped laboratories and an enriched library, which are updated regularly. Our mission is to transform students into professional engineers within three years. We focus on developing leadership qualities, interpersonal skills, creativity, and strong values and morals. We believe in total personality development through individual student counseling and guidance. Continuous industry integration through training and projects ensures our students are industry-ready.

- Principal Mr. M.S. Deshmukh

About the Programme: Diploma in Civil Engineering

Our Diploma in Civil Engineering program aims to provide students with a solid foundation in civil engineering principles and practical skills. The curriculum is designed to impart both theoretical knowledge and hands-on experience, preparing students for successful careers in the construction industry.

Message from the H.O.D.'s Desk

Dear Students, Faculty, and Stakeholders,

Welcome to the 2024-2025 academic year at Bharati Vidyapeeth's College of Engineering, Kolhapur (Diploma). Our Civil Engineering Department excels through innovation and industry collaboration. We emphasize a blend of theoretical knowledge and practical experience, ensuring students are well-prepared for real-world challenges. Our students' achievements and active participation in community service reflect their dedication and commitment. We continue to foster research, holistic development, and leadership skills. Thank you for your continuous support in building a bright future for our students and institution.

Warm regards,

Mr. R. B. Mohite

Engineers Day Celebration – 15th September 2023

In remembrance of the legendary engineer Sir Mokshagundam Vishweshwarayya, we proudly celebrated "Engineer Day" with great enthusiasm. We were honored to have Mr. A. S. Salunkhe, Vice-President of CREDAI Solapur and Director at Raut-Salunkhe Associates Solapur, as our Chief Guest.

Mr. Salunkhe delivered an inspiring lecture on the pivotal role of engineers in society, emphasizing their contributions to shaping a better world. His insights and experiences provided valuable guidance to our budding engineers.

Let's continue to innovate and contribute to society with the same passion and dedication as Sir Vishweshwarayya. Happy Engineers Day to all!

Annual Sports Fest – February 28th to March 2nd, 2024

Our college proudly hosted its Annual Sports Fest over three exhilarating days. The event featured a range of activities, including Volleyball, Kabaddi, and Cricket. Students from all years actively participated, showcasing their skills and enthusiasm for sports.

The fest not only promoted physical fitness but also fostered teamwork and camaraderie among students. Congratulations to all participants and winners for making this event a memorable success!

KALARANG BHARATI - March 3rd & 4th, 2024

Our Annual Gathering, KALARANG BHARATI, was a vibrant showcase of student talents. Activities included Rangoli, poster presentations, traditional day, dancing, singing, drama, and a fashion show. The event celebrated creativity and community spirit, leaving everyone inspired and entertained.
